Dear Business Owner:

The YBBL Board of Directors would like to invite you to participate in our program. Because of our valuable sponsors, last year our program consisted of over 1500 (Spring and Fall) boys and girls who participated in a program designed to teach the fundamentals of baseball, fair play and good sportsmanship.

We would have never been able to provide this youth program without this community's support. We hope that you will choose to participate in this valuable program. If so, please complete the form below and mail it back to us.

We look forward to working with you this season.

Sincerely, YBBL Board of Directors
